

Mike Landsberger of East Palestine, Oh., single handedly captures a victory in The WRWA qualifier #2 at Mosquito Lake. On April 29, Mike trolled crank baits all day long and caught a five fish limit of 9.26 pounds. A cold front rolled in the afternoon before the tournament causing most teams that were catching limits pre-fishing, to change tactics. A 42 boat field could only muster 84 walleye totaling over 115 pounds the day of the tournament. Area teams from Ravenna, Louisville, and Salem finish in the top ten.
