

The Shipman Brothers, Mitch and Chris claim a victory in The WRWA qualifier #2 on Indian Lake in Lakeview, Ohio. Indian lake is 50 miles NW of Columbus. The Shipman's trolled crank baits on a shallow flat all day and caught a five fish limit of 10.74 pounds. Across the board most teams were able to bring their five fish limit to the scale, having to do so with wind gusts in excess of 30 MPH. Most teams trolled cranks, having to battle three foot choppy waves all day on the main lake. Some teams drifting jigs and spinner rigs were able to come across pockets of fish and do well. A 26 boat field brought to scale 119 fish totaling over 175 pounds the day of the tournament. Area teams from Alliance and N. Canton finished in the top ten.
