

Forged from a 14 year tradition, the Ohio Walleye Federation represents the growth and expansion of the Western Reserve Walleye Association and the Buckeye Walleye Trail. The two organizations have joined forces to form what promises to be the largest team walleye circuit in Ohio. Based on experience and angler feedback, exciting changes have been made to allow us to continue our tradition of providing the most diverse, rewarding and affordable team walleye circuits available.

The OWF is a non-profit organization run by walleye anglers, for walleye anglers! The **Inland Lake Circuit (ILC)** and the **Central Basin/Lake Erie Circuit (CBC)** represent our commitment to walleye anglers and to their interest in fishing both inland lakes and Lake Erie by providing the most affordable & highest quality events possible.
